PARISH COUNCIL NEWS

KELLINGTON – A PLEASANT VILLAGE

The Parish Council have had many compliments about the cleanliness of the village (thanks to all the litter pickers) how good the grassed areas and the hanging baskets looked and how the new street name signs have improved our environment.

One thing that is constantly letting all of us down are the few residents who persist in allowing their dogs to foul our pavements.

There is NO excuse for this - PLEASE PICK IT UP – you can then place it in any of the many litter bins that are dotted around our pleasant village.

NOISE NUISANCE COMPLAINT – POSKITTS LTD

Selby District Council have now concluded their investigations into the complaint of noise nuisance from operations at Poskitts Ltd.

They have stated that “they are of the opinion that the noise does not amount to a statutory nuisance”. They have reached this conclusion having taken several factors into account including : loudness, time of day, duration and frequency of noise and character of neighbourhood.

Poskitts had made an application for planning permission to erect an acoustic fence but this application has now been withdrawn.

KELLINGTON DEFIBRILLATORS

MANY THANKS to Nigel Clayton for installing the defibrillators. There is one at The Red Lion and another coming to the village hall.

THANKS to Sasha and Matt at The Red Lion for allowing us to put one on the front of the pub. Also to Lisa and the Red Lion staff and customers, Keith and Pauline at the Corner Shop and those individuals who made personal donations towards the cost of the defibrillators – THANK YOU.

And THANK YOU to Eggborough Power Station who have paid for the defibrillator at the village hall.

DEFIBRILLATOR AWARENESS SESSION

Saturday 4th November at 11am in the village hall (same morning as the coffee morning).

Steve Parker will be there to explain how easy it is to use a defibrillator, how it could help you to save a life or indeed help someone else to save your life!

The Kellington defibrillators are linked to the **Yorkshire Ambulance Service**. When a 999 call is made, if a defibrillator is needed, the caller will be given the key code number to access the nearest one.

KELLINGTON ALLOTMENTS

The Parish Council would like to thank Euro Auctions for their kind donation of a secure storage facility to Kellington Allotments. There have been a couple of incidents of thefts at the allotment site over the past four years – this secure storage facility will ensure that that is all in the past. Many thanks, Euro Auctions.

Are you interested in having an allotment for the next growing season?
If so please contact John or Mary McCartney on 01977662558.

KELLINGTON GUIDES NEWS

Kellington Guides would like to thank everyone who has supported them throughout the year.

VILLAGE HALL NEWS

WHEELIE BIN THEFT

It is with great dismay that we have to report that the wheelie bin has been stolen from the village hall. The village hall committee put in an awful lot of VOLUNTARY hours to raise money to keep the hall in a desirable state to enable people from the village and elsewhere to make use of it. They DO NOT want to spend this hard come by money on a new bin which is, unfortunately, what has to be done. If you know of the whereabouts of the bin or have any idea what happened to it then please do your civic duty and report it to the relevant people.

VILLAGE FAIR

Many thanks to everyone who attended and helped at the village fair which was once again a great success and enjoyed by all. Valuable funds were raised for many causes.

COFFEE MORNINGS

The next coffee mornings will be on Saturday 4th November and Saturday 2nd December 10 – 12 noon.

BOOKINGS

The village hall continues to be busy with lots of regular bookings and parties. To book the hall contact Victoria McLauchlan 663790 or Kathryn Newton 662749.
