## Kellington Play Park – repair and upgrade

The play area was put in about a decade ago and a mixture of vandalism and aging means that it now requires repairing and upgrading

A few years ago, we replaced the wood chip surface with artificial grass and now we are going to repair and upgrade the play equipment, mend the tables and benches and make the perimeter logs sustainable.

The “boat” is beyond repair and will be replaced by a tunnel like this.

We will also be putting in disabled access to the two areas where the play equipment is.

### **THIS WILL ALL COST!**

We are delighted that M H Poskitts have already offered a generous donation and wonder whether other local businesses could do the same. Or, maybe YOU work for a company that provides community grants and could help us get one to improve the facilities at Kellington Play Park?

### **To contact Kellington Parish Council;**

**Clerk to the Council, Janet Smith, 662809**

**kellington.clerk@outlook.com**

**Chair of the Parish Council, John McCartney. 662558 -**

**jmccartney@selby.gov.uk;**

**Cllrs Kath Newton 662749**

**Mary McCartney 662558**

## **Kellington tit bits**

Once again, thanks to all those people who litter pick- who report fly tipping, who do their bit to make Kellington a great community to live in.

Your Parish Council, once again, froze our part of the Council Tax this year.

The Parish Council submitted two substantial responses to the Selby District Council Local Plan Consultation

The village hanging baskets will be going up soon

The Parish Council have liaised with North Yorkshire Highways and the landowner to find a way to stop the serious flooding on Lunn Lane and Low Road happening again in the future

## **A19 Closure, up-date**

The contractors are confident that they will be hitting the mid June opening date for the road. They have recently been working weekends (something that we have been asking for) to achieve this.

There will be tree planning along the repaired road.

Both sides of the causeway, which the highway sits on, is being protected from future flood damage by huge boulders. (As they do at the seaside)

**ANTI-SOCIAL  
BEHAVIOUR**

**Do not suffer in silence,  
Report it to the police.**

**Always report anti-social behaviour; Ring 101. You can also email the local policing team on; [snaselby@northyorkshire.pnn.police.uk](mailto:snaselby@northyorkshire.pnn.police.uk)**
